**The District Dean of Merit Badge Counselors MUST approve or disapprove the applicant within TWO weeks after receiving this application and return the application to the council service center.**

If an adult application (Form 524-501A) is attached, the Dean must call the three references. Then acting as the Scout executive's designee, he signs the form and returns it to the council registrar, along with the Merit Badge Counselor application.

The Dean calls the applicant and informs him/her which badges he/she is approved and not approved for. The applicant is then eligible to begin counseling for the approved badges.

Once approved, the Dean enters the new counselor on the master copy of the district's Merit Badge Counselor list. The council service center rosters only those registered as merit badge counselors. The district keeps a roster of counselors indicating their specific merit badge subject areas.
