**Swimming Qualifications**

All Boy Scouts and Adult Scouters must report to the waterfront on Monday morning following breakfast for swim qualification testing. There are no exceptions to this test if you intend to enter the water in any capacity while at Yawgoog. Anyone who does not qualify cannot participate in any waterfront activities or go on the Troop overnight outing.

**Scout Money**

A Trading Post is available for essential supplies, refreshments and souvenirs. Scouts are required to buy all their Craft Merit Badge supplies. We recommend no more than \$20.00 in small denominations. *Note: The Trading Post is not the primary source of nourishment. If Trading Post privileges are abused, Scouts will lose their privileges*
